Subject: Hi from Argentina

Hi Daniel,

My name's Alessandra. It's an italian name, because my grandmother was from Italy, but I'm Argentinian and I live in Mendoza, a big city in the west of the country. I live with my parents and my two brothers. I have 19 years old, and I'm at university. I'm studing computer science. I'm in my first year and I really like it.

I'm going to tell you about myself. As you can see from the foto, I have long hair – it's quite fair – and greens eyes. I wear glasses, but I want to get contact lenses soon.

I think I'm a positive person. I'm quite extrovert and frendly. My mother says I'm very talkative – I think she mean that I talk too much!

In my free time I love reading and going to the cinema. But I dont have much free time becuase I have classes every day, and a lot of work to do even at weekends. I also go to English classes on friday afternoon.

Please write soon and tell me about you and your life.

Best wishes

Alessandra
