What was your most frightening moment ever?

last month, there was a hurricane in my town. The winds were very strong. A tree fell down on our car and it was badly damaged. My mother lost consciousness and I was badly hurt.
Samantha, Dominican Republic

We were staying at a hotel near the beach when we heard a noise. It was a tsunami! We were safe but there was a big flood in the town and a lot of people lost their homes. *Harry, USA*

We were skiing in the mountains and suddenly, there was an avalanche. We had a lucky escape but the snow blocked our way. We got lost and it got dark. *Jean, France*

Last year, there was a big flood in my city and the water covered the streets. My family and I took shelter in a community centre because our house was badly damaged. *Mark, Germany*

During the earthquake last week, all the houses and buildings were shaking. Some of them collapsed. Others were badly damaged. I ran to take shelter but I fell and broke a leg. Luckily, I recovered quickly. *Mateo, Chile*
