## 9A You're a detective!

**1** Read about the robbery. Find out where each person was at 4.40. Draw a circle for each person on the plan of the house. Write the first names in the circles.

At 4.30 on Sunday this famous painting was in the dining room of Morton House, the home of Russian millionaire Alex Popov. But at 4.45 it wasn't there ...

Alex Popov –  
millionaire art collector

Ian Grubber –  
Mr Popov's friend

James Cole –  
Mr Popov's chauffeur

Ana Popov –  
Mr Popov's mother

I was in the dining room at 4.30. Then I was in the living room with my mother.

I was in the swimming pool. Mrs Popov and Mrs Cole were in the kitchen.

I was in the garage. I was with Jimmy.

I was in the living room. My son was with me.

Janice Cole – the  
cook at Money House

Natasha Popov –  
Mr Popov's wife

Lenny Rock –  
the security guard

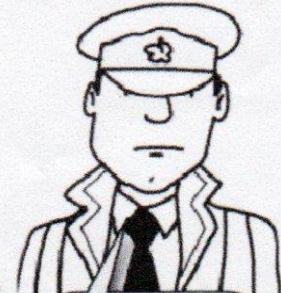

Jimmy Cole –  
James Cole's son

I was with Mrs Popov. My husband wasn't with me.

I was in the kitchen with Mrs Cole. Mr Grubber was in the swimming pool.

I was in front of the house all the time.

I was with my father.

Al final del texto tenés el vocabulario.

**3)** En la primer hoja "You're a detective" se trata sobre el robbery (robo) de un famous painting (famoso cuadro). Luego de leer a cada personaje del texto notarás que cada uno describe dónde estaba al momento del robo (robbery) y también está el plano de la casa. Entonces, en cada parte de la casa (garage, livingroom), en el plano, colocás el nombre del personaje según lo que cuenta sobre dónde se encontraba cuando sucedió el robo.
