

# Song: Cosmic Love

## While-listening

1. You are going to listen to a song by Florence + The Machine. Choose the correct form of the verb as you listen to it. Verbs can be either regular or irregular.

A falling star a) FELL(felled/fell) from your heart

And landed in my eyes

I b) \_\_\_\_\_ (screamt/screamed) aloud, as it tore through them

And now it's left me blind

The stars, the moon, they have all been blown out

You c) \_\_\_\_\_ (left/leaved) me in the dark

No dawn, no day, I'm always in this twilight

In the shadow of your heart

And in the dark, I can hear your heartbeat

I d) \_\_\_\_\_ (tryed/tried) to find the sound

But then it stopped and I e) \_\_\_\_\_ (were/was) in the darkness

So darkness I f) \_\_\_\_\_ (becomed/became)

The stars, the moon, they have all been blown out

You g) \_\_\_\_\_ (left/leaved) me in the dark

No dawn, no day, I'm always in this twilight

In the shadow of your heart.

I h) \_\_\_\_\_ (tooked/took) the stars from my eyes and then I i) \_\_\_\_\_ (made/maked) a map

And j) \_\_\_\_\_ (new/knew) that somehow I could find my way back

Then I k) \_\_\_\_\_ (heart/heard) your heart beating, you l) \_\_\_\_\_ (where/were) in the darkness too

So I m) \_\_\_\_\_ (staid/stayed) in the darkness with you

The stars, the moon, they have all been blown out

You left me in the dark

No dawn, no day, I'm always in this twilight

In the shadow of your heart

The stars, the moon, they have all been blown out

You left me in the dark

No dawn, no day, I'm always in this twilight

In the shadow of your heart
